Our "musicians" are in your area and you have been selected by our computer to participate in the unique event at a much reduced cost. Should you decide to become the envy of your friends and neighbours, you will travel to the sun-kissed, fly-blown waterways of East Anglia where your mid-life crisis will receive one last desperate opportunity. Whilst every endeavour will be made to appear at these venues, the "musicians" individually and corporately reserve the right to get "as as newt" and fall over. A t-shirt raffle will be held and we give our solemn pledge that not one penny collected will go to any form of charity. We disclaim responsibility for damage to eardrums, recording equipment or reputations.
